

## European Workshop "Sewage Sludge Re-Use – Future Prospects"

Wednesday 18 October 2000, Brussels

Time	Theme	Expert
9.30	Welcome Speech	Sigurd van Riesen (EWA)
9.40	Welcome Speech and introduction	Luca Marmo (EC)
<b>I</b>	Practical aspects of sewage sludge reuse	Chair: Sigurd van Riesen (EWA)
9.50	Today's practise of the use of sludge in agriculture in D	Hartmut Witte (D)
10.10	Statement UK	Tim Evans (UK)
	Statement F	Daniel Villessot (F)
	Statement E	Roman Llagostera (E)
	Discussion and Summary	
<b>II</b>	EU Working Document on Sludge (3 <sup>rd</sup> draft)	Chair: Helmut Kroiss (A)
11.00	Contents of the 3rd draft main items of EC paper	Luca Marmo (EC)
11.20	Statement UK	Tim Evans (UK)
	Statement D	Armin Melsa (D)
	Statement F	Daniel Villessot (F)
	Discussion and Summary	
<b>III</b>	Nutrients and pollutants in sludge, hygienic aspects	Chair: Raymond Pinoit (F)
13.30	Quality of sludge (hygienic aspects, heavy metals, organic compound)	R. Leschber (D)
13.50	Statement S	Peter Balmér (S)
	Statement A	Franz Mochty (A)
	Statement DK	Svend-Erik Jepsen (DK)
	Discussion and Summary	
<b>IV</b>	Improvement of sludge quality	Chair: Armin Melsa (D)
14.20	Improvement Strategies (incl. Upstream processes)	Jeremy Hall (UK)
14.40	Statement F	Daniel Villessot (F)
	Statement CH	Ulrich Herter (CH)
	Discussion and Summary	
<b>V</b>	Future prospects for use in agriculture	Chair: Tim Evans (UK)
15.15	Sewage Sludge re-use in 2005	Daniel Villessot (F)
15.35	Statement Situation in Sweden	Peter Balmér (S)
	Statement Farmers	Hans Leser (D)
	Discussion and Summary
